Back Stage Drop Off/Pick-Up Procedures for Parents of Young Children and Youth Dancers

We are committed to making sure your children remain safe during the performance and throughout the drop-off and pick-up process. Please read the information below carefully. Feel free to ask your child's teacher if you have any questions. We thank you in advance for your cooperation.

IF YOUR CHILD IS IN THE FIRST HALF OF THE SHOW*:

BEFORE THE SHOW...

- * You and your dancer should report to the door of the City Council Chambers at the rear of City Hall 30 minutes before show time.
- * Pick up the name tag with your child's name on it. This will be like a claim ticket so we can ensure each dancer leaves with the same adult who brought him/her.
- * Leave your dancer with his/her class chaperone. In order to minimize chaos and keep dancers safe, only dancers, chaperones and staff will be permitted inside the dressing room.

AT INTERMISSION...

- * You (or the adult with the name tag) should line up outside the Council Chambers to claim the dancer. Do not go inside the dressing area. Please have the rest of the family wait at another spot so the area does not become too crowded.
- * You and your dance may go upstairs and enjoy the second half of the show!
