

**Do I need to have the sheet filled out prior to my child's session?**

*Yes, your child will need to bring the form in with them at the time of their session. Please have it completed prior to arrival so each class is photographed on time.*

**I'm not ordering any photos. Do I need to fill out a form for my child?**

*Yes, but only if your child is shy about saying their name to people they don't know. You may fill out the top portion of the form only so that we may identify them later.*

**I have 3 children dancing at the studio. Do I need to complete a separate sheet for each one?**

*Yes; please write 1 of 3, 2 of 3 and 3 of 3 at the top of each form. Your per print pricing will be based on the total sheets ordered from all 3 forms.*

**My child is in 3 classes. How do I qualify for a free class photo from every class?**

*Order any 2 sheets of each costume and you qualify for a FREE 5x7 class photo of the corresponding class.*

**Example:** Order 6 sheets (2 of each costume) to receive 3 free 5x7 class photos for only \$66.

**Can I pay the \$2 difference to upgrade to an 8x10 class photo instead of getting the free 5x7?**

*Yes. Please add this in the comments section.*

**Does the free class photo count towards my sheet count?**

*No, the free class photo or upgrading to an 8x10 does not count towards your total sheet count.*

**Does ordering a class photo count towards my total sheet count?**

*No, total sheet count is for individual photos only. Class photos are specially priced.*

**I am ordering 5 sheets. Do I pay \$12 price for the first 4 and \$11 for 5th sheet?**

*No, all sheets ordered receive the lowest price based on total number. All sheets would be \$11.*

**Example:** You order 16 sheets. You pay \$8 per sheet for a total of \$128. A savings of \$112 off the \$15 single price.

**Will a gallery be available for online ordering after the session?**

*No, an online gallery will not be available. Photos must be ordered at the time of the session.*

**How can I be sure that I will be happy with your photo quality without seeing them first?**

*We are a full service photography studio with 2 locations. Sample photographs of each sheet type will be available for you to see.*
