The mission of Sole City Dance, the region's premier artistic dance studio, is to provide a strong technical foundation in dance in a non-competitive, non-judgmental environment for the encouragement of artistic expression.

Becoming a corporate sponsor or a friend of Sole City Dance is a powerful way to support the children and the arts in our community as well as have your business seen by over 2500 people who attend our three annual performances—*The Nutcracker, Dance Northeast* and our *Student Dance Concert*.

As a non-profit 501(c)(3) entity, we are dependent on community support to continue our mission. Support our mission by choosing one of the levels of sponsorship listed below.
