

See below for dress rehearsal orders. Please note that everyone (regardless of where you are in the order) must be there promptly at the start of your rehearsal time slot unless noted otherwise. For rehearsal, enter the theater and find the assigned seating area for your class. Please plan to arrive 10-15 minutes before the start time of your rehearsal to allow time to get settled. After your class is done rehearsing, you are free to leave or you can stay and enjoy watching the other dancers.
