COMPANY REGISTRATION INFORMATION

Company Registration Form (attached): Please return this form by Feb. 23rd to Sole City Dance, 187 Route 108, Somersworth, NH 03878. If you prefer, you may type this information on a separate paper and send it to us or e-mail it to alex@solecitydance.org. Please fill out a separate form for the afternoon showcase and evening concert. There is a \$50 nonrefundable company registration fee for each group performing. Companies that submit material and payment later than Feb. 23rd will be charged a \$75 registration fee. Make checks payable to Sole City Dance, Inc. and return with your completed form.

Program & Technical Form (one copy attached): Please copy this form and submit one for each dance you will be performing by Feb. 23rd to Sole City Dance, 187 Route 108, Somersworth, NH 03878. This information is used to create the program, as well as cue books for the stage manager & lighting designer. If you prefer, you may type the information on a separate paper and send it back to us or e-mail it to alex@solecitydance.org.

Additional Performance Information: For those dancing in the evening concert, brief, on-stage tech rehearsals will be held Saturday, March 23rd in the morning. We will notify you on or around March 9th of your assigned time (half hour per company). Please notify us if you have any time preferences and we will do our best to accommodate you. If you choose not to attend your assigned technical rehearsal, please understand that there will be NO on-stage time available prior to the performance.

For the afternoon showcase, there will be no technical/onstage rehearsal time. You may choose to use some of your evening show rehearsal time for these dancers, if you wish. Lighting choices will be made by the lighting designer/board operator based on information from your tech sheet. Because the lighting cues are unrehearsed, we request that a company director or staff member remain backstage during the afternoon showcase to assist the stage manager in sending cues to the board operator.

The Opera House has a cyc and side lights with a limited number of color options. Please provide costume color and style/mood information about your piece so the designer can make some plans. If you would like a specific color, please indicate that, but it cannot be guaranteed.

Please email your music to alex@solecitydance.org by Feb. 23rd, or mail a CD along with your registration forms. Please be sure that the name of your music file matches the name of the corresponding dance piece.

The Opera House stage is approximately **29 feet wide and 25 feet deep** and there will be a Marley floor. In the past, we have had tap dancers perform last in the program and have rolled up the Marley so that tappers may dance on the hard wood floor. Please indicate on your technical sheet if you would like to request this option. Directions to the Opera House will be mailed or emailed to you with your rehearsal time confirmation on or around March 9th.

All pieces need to be appropriately costumed – no rehearsal attire.

Please note: The costs of producing Dance Northeast! are primarily covered through ticket sales. Please encourage your friends and family to come enjoy not only your performance, but the wide variety of choreography they will see from all participating companies. Thank you!
